

City of Oronoco
Emergency City Council Meeting Minutes
Tuesday, July 4, 2006

7:00 emergency meeting called to order by Mayor Joy Bertsinger

Joy Bertsinger, Scott Keigley, Jackie Hall present as well as Kelly Parker pyrotech for the 4th of July celebration.

The meeting was called to address the Fireworks permit. The location on the permit was listed as city land. However about 1/4 of the launch site appeared to be on Harley Siems private property along the lake.

A signed statement from the Siem's was presented giving permission to use their land as a launch site.

Councilmember Keigley motioned to amend the permit to include listing Siems's property as a location based on the following: original site, approved by State Fire Marshall, trees would need to be removed to have a safe launch area, area directly surrounding the lake is too muddy to use (casings would sink), safety concerns if brought back further to the east. Council member Hall second. No further discussion. All approved, motion carried.

Council member Hall motion to adjourn, Keigley second. All in favor, motion carried.

Meeting adjourned at 7:15.

Submitted by
Mayor Joy Bertsinger
