◆ General Notes

- Selection of officers was
 - Eric Weis was elected as the 2016 Chair
 - Peter Sanders was elected to Vice Chair
- A write up for the spring news letter is due February 19th.
- Need and try and get interest in parks committee, by maybe having someone set up a booth at things like National Night Out.
- Lance found another grant to look into from the DNR. They have a Conservation Partners Legacy Grant. They have a March and May deadline to submit a entry. If awarded a grant we would have to come up with a %10 match.
- 3 Bus Shelters have been donated to the city. Possibly could be used as a warming house for the ice rink.
- Would like to have Cain do a walkthrough of each park this spring and give us ideas/list of things that need fixing and updating.

◆ River Hills Park

- Swing – Still watching sales on website, price is hovering around \$500. R&J In Harmony is still a viable back up option.
- Trish is going to follow up with council on the trail. We could not remember the outcome.

◆ Garden Park

- Discuss another possible clean up date at next meeting.
- We are able to get fertilizer from Chelsea Meadows. Just need to come up with a method to haul.
- Would like to construct a more permanent structure for compost

◆ River Park

- Trail from Cedar woodlands to River Park is not still not a viable option as we don't have access to the land.

◆ Caryl Cowden Park

- Need to verify how the Frisbee golf course survived winter. Then decide if we would like to request money for the last two holes.
- ◆ Oronoco Park
 - The existing house is still scheduled to be burned down.
 - This could be another option for the ice rink in the future. It has flat ground, lights and an existing shed that could be used as a warming house.
