7. Execution. The Note shall be executed on behalf of the City by the signatures of its Mayor and Clerk-Treasurer; the seal of the City has been intentionally omitted as permitted by law. The electronic signature of the Mayor and/or the Clerk-Treasurer to this resolution and to any certificate authorized to be executed hereunder shall be as valid as an original signature of such party and shall be effective to bind the City thereto. For purposes hereof, (i) "electronic signature" means (a) a manually signed original signature that is then transmitted by electronic means or (b) a signature obtained through DocuSign or a similarly digitally auditable signature gathering process; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message. In the event of disability or resignation or other absence of either such officer, the Note may be signed by manual signature of that officer who may act on behalf of such absent or disabled officer. In case either such officer whose signature shall appear on the Note shall cease to be such officer before the delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

8. Delivery; Application of Proceeds. The Note when so prepared and executed shall be delivered by the Treasurer to the purchaser thereof prior to disbursements pursuant to the Bond Purchase and Project Loan Agreement, and the purchaser shall not be obliged to see to the proper application thereof.

9. Fund and Accounts. There is hereby created a separate fund in the City treasury designated the "General Obligation Taxable Water Improvement Note of 2022C Fund" (the "Fund"), to be administered and maintained by the Treasurer as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the City. The Fund shall be maintained in the manner herein specified until all the Note and the interest thereon have been fully paid. There shall be maintained in the Fund the following accounts:

(a) A "PFA Construction Account", to which shall be credited all proceeds received from the sale of the Note plus any special assessments levied with respect to the Project and collected prior to completion of the Project and payment of the costs thereof. The Note shall be the only source of moneys credited to the PFA Construction Account. It is recognized that the sale proceeds of the Note are received in reimbursement for costs expended on the Project or in direct payment of such costs, and that accordingly the moneys need not be placed in the PFA Construction Account upon receipt but may be applied immediately to reimburse the source from which the expenditure was made. The moneys in the PFA Construction Account shall be used solely for the purpose of paying for the cost of constructing the Project, including all costs enumerated in Minnesota Statutes, Section 475.65, provided that such moneys shall only be expended for costs and expenses which are permitted under the Bond Purchase and Project Loan Agreement. The PFA prohibits the use of proceeds of the Note to reimburse costs initially paid from proceeds of other obligations of the City unless otherwise specifically approved. Upon completion of the Project and the payment of the costs thereof, any surplus shall be transferred to the PFA Debt Service Account.

(b) A "PFA Debt Service Account", to which shall be irrevocably appropriated, pledged and credited: (i) all collections of special assessments herein

covenanted to be levied with respect to the Project and either initially credited to the Construction Account and not already spent as permitted above and required to pay any principal due on the Note or collected subsequent to the completion of the Project and payment of the costs thereof; (ii) \$13,112 of water revenues of the City to be used to pay principal and interest on the Note on August 20, 2022 and \$5,352 of water revenues to be used to pay a portion of the principal and interest due on the Note on August 20, 2023; (iii) all collection of ad valorem taxes, if any, hereafter levied for payment of the Note; (iv) all investment earnings on moneys held in the PFA Debt Service Account; (v) any amounts transferred from the PFA Construction Account; and (vi) any other moneys which are properly available and are appropriated by the City Council to the PFA Debt Service Account. The moneys in the PFA Debt Service Account shall be used only to pay or prepay the principal of, and interest on, the Note and any other general obligation bonds hereafter issued and made payable from the PFA Debt Service Account, and to pay any rebate due to the United States with respect to the PFA Bonds in connection with the Note.

The City shall observe the covenants of paragraphs 16 and 17 of this resolution and of Article 3 of the Bond Purchase and Project Loan Agreement with regard to the Fund.

10. Assessments. It is hereby determined that no less than one hundred percent (100%) of the cost of the Project shall be paid by special assessments to be levied against every assessable lot, piece and parcel of land benefited by the Project. The City hereby covenants and agrees that it will let all construction contracts not heretofore let within one year after ordering the Project unless the resolution ordering the Project specifies a different time limit for the letting of construction contracts. The City hereby further covenants and agrees that it will do and perform as soon as they may be done all acts and things necessary for the final and valid levy of such special assessments, and in the event that any such assessment be at any time held invalid with respect to any lot, piece or parcel of land due to any error, defect, or irregularity in any action or proceedings taken or to be taken by the City or the City Council or any of the City officers or employees, either in the making of the assessments or in the performance of any condition precedent thereto, the City and the City Council will forthwith do all further acts and take all further proceedings as may be required by law to make the assessments a valid and binding lien upon such property. The special assessments have heretofore been authorized. It is hereby determined that the principal amount of the special assessments shall be payable in the total principal amount shown below, with general taxes for the years shown below and with interest on the declining balance of all special assessments at the rate of 2.252% per annum.

<u>Improvement Designation</u>	<u>Levy Years</u>	<u>Collection Years</u>	<u>Amount</u>
Watermain Improvements	2022-2041	2023-2042	\$856,625

11. Coverage Test. The special assessments are such that if collected in full they, together with estimated collections of water revenues, and any other revenues herein pledged for the payment of the of the Note, will produce at least five percent in excess of the amount needed to meet when due the principal and interest payments on the Note. Consequently, no taxes are levied at the present time.

12. General Obligation Pledge. The full faith, credit and taxing powers of the City shall be, and are hereby, irrevocably pledged for the prompt and full payment of the principal and interest on the Note as the same respectively become due. If the special assessments and water revenues appropriated and pledged to the payment of principal and interest on the Note, together with any other funds irrevocably appropriated to the PFA Debt Service Account, shall at any time be insufficient to pay such principal and interest when due, the City covenants and agrees to levy, without limitation as to rate or amount, an ad valorem tax upon all taxable property in the City sufficient to pay such principal and interest as they become due. If the balance in the PFA Debt Service Account is ever insufficient to pay all principal and interest then due on the Note and any other obligations payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, and such other funds may be reimbursed, with or without interest, from the PFA Debt Service Account when a sufficient balance is available therein.

13. Certificate of Registration. The Clerk-Treasurer is hereby directed to file a certified copy of this resolution with the County Auditor of Olmsted County, Minnesota, together with such other information as the County Auditor shall require, and to obtain the County Auditor's certificate that the Note has been entered in the County Auditor's Bond Register.

14. Bond Purchase and Project Loan Agreement; Special Assessments.

(a) The Bond Purchase and Project Loan Agreement is hereby approved in substantially the form presented to the City Council, and in the form executed by electronic signatures or manual signatures is hereby incorporated by reference and made a part of this resolution. The electronic signature of the Mayor and/or the Clerk-Treasurer to this Bond Purchase and Project Loan Agreement and to any certificate authorized to be executed hereunder shall be as valid as an original signature of such party and shall be effective to bind the City thereto. For purposes hereof, (i) "electronic signature" means (a) a manually signed original signature that is then transmitted by electronic means or (b) a signature obtained through DocuSign or a similarly digitally auditable signature gathering process; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message. Each and all of the provisions of this resolution relating to the Note are intended to be consistent with the provisions of the Bond Purchase and Project Loan Agreement, and to the extent that any provision in the Bond Purchase and Project Loan Agreement is in conflict with this resolution as it relates to the Note, that provision shall control and this resolution shall be deemed accordingly modified. The City's execution and delivery of the Bond Purchase and Project Loan Agreement by the Mayor and Clerk-Treasurer is hereby approved, ratified and authorized. The execution of the Bond Purchase and Project Loan Agreement by the appropriate officers shall be conclusive evidence of the approval of the Bond Purchase and Project Loan Agreement in accordance with the terms hereof. The Bond Purchase and Project Loan Agreement may be attached to the Note, and shall be attached to the Note if the holder of the Note is any person other than the PFA.

(b) Pursuant to the terms of Section 1.5 of the Bond Purchase and Project Loan Agreement, the City agrees to notify the PFA of prepaid special assessments and the PFA in its sole discretion may require the City to use the prepaid special assessments for the payment of construction costs of the Project or the payment of the Note.

15. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the PFA, and to the attorneys approving the legality of the issuance of the Note, certified copies of all proceedings and records of the City relating to the Note and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Note as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

16. Negative Covenants as to Use of Proceeds and Project. The City hereby covenants not to use the proceeds of the Note or to use the Project, or to cause or permit them to be used, or to enter into any deferred payment arrangement for the cost of the Project, in such a manner as to cause the PFA Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code. The City reasonably expects that it will take no actions over the term of the Note that would cause the PFA Bonds to be private activity bonds, and the average term of the Note is not longer than reasonably necessary for its governmental purpose.

17. Tax-Exempt Status of the PFA Bonds; Rebate. The City with respect to the Note shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the PFA Bonds, including without limitation (a) requirements relating to temporary periods for investments, (b) limitations on amounts invested at a yield greater than the yield on the PFA Bonds, and (c) the rebate of excess investment earnings to the United States. The City covenants and agrees with the PFA and holders of the Note that the investments of proceeds of the Note, including the investment of any revenues pledged to the Note which are considered gross proceeds of the PFA Bonds under the applicable regulations, and accumulated sinking funds, if any, shall be limited as to amount and yield in such manner that the PFA Bonds shall not be arbitrage bonds within the meaning of Section 148 of the Code and any regulations thereunder. On the basis of the existing facts, estimates and circumstances, including the foregoing findings and covenants, the City hereby certifies that it is not expected that the proceeds of the Note will be used in such manner as to cause the PFA Bonds to be arbitrage bonds under Section 148 of the Code and any regulations thereunder. The Mayor and Clerk-Treasurer shall furnish a certificate to the PFA embracing or based on the foregoing certification at the time of delivery of the Note to the PFA. The proceeds of the Note will likewise be used in such manner that the Note is not a private activity bond under Section 103(b) of the Code.

18. Not Qualified Tax-Exempt Obligation. This Note has not been designated by the City as a "qualified tax-exempt obligation" for purposes of Section 265(b)(3) of the federal Internal Revenue Code of 1986, as amended.

19. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

20. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

The motion for the adoption of the foregoing resolution was duly seconded by member Dana Begner and, after full discussion thereof and upon a vote being taken thereon, the following voted in favor thereof: 5 ayes
