

CITY OF ORONOCO, MINNESOTA

RESOLUTION RECEIVING FEASIBILITY REPORT AND CALLING HEARING ON
IMPROVEMENT

WHEREAS, after a petition for municipal wastewater service was received from the River Bend Estates Home Owners Associated, a report has been prepared by Stantec with reference to the requested wastewater system improvements, the proposed improvements include construction sanitary sewer system improvements to divert wastewater flows from the private River Bend Estates community wastewater system to the Oronoco municipal wastewater system to serve the 17 residential lots within the River Bend Estates subdivision. This report was received by the council on July 16, 2024, and

WHEREAS, the report provides information regarding whether the proposed improvement is necessary, cost-effective, and feasible; whether it should best be made as proposed or in connection with some other improvement; the estimated cost of the improvement as recommended; and a description of the methodology used to calculate individual fees for assessments for affected parcels.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF ORONOCO, MINNESOTA:

1. The council will consider the improvement of such streets and utilities in accordance with the report and the assessment of abutting property for all or a portion of the cost of the improvement pursuant to Minnesota Statutes, Chapter 429 at an estimated total cost of the improvement of \$67,008 plus wastewater fees totaling \$154,348.
2. A public hearing shall be held on such proposed improvement on the 20 day of August 2024, in the council chambers of the city hall at 6:35 p.m. and the clerk shall give mailed and published notice of such hearing and improvement as required by law.
