Maintenance

- Any vehicle/equipment/building issues?
 - Waiting on Fire Safety for truck repairs (coming out Mon 6/20)
 - Tanker 1 seems to be having an oil gauge issue, Dan will have Fire Safety look at it
 - Dan got extra pager batteries, and a charger for the portable radio on the desk

EOC

- Nothing at this time

Old Business

- Reminder to use IAMRESPONDING for EVERY call

- Fire Safety does not do mask/fit tests anyone, so for those that missed, they will need to catch MedCompass at another department
- We are still waiting on the house burn at 440 1st Ave NE
- E1 new shelving was completed and Dan/Cain moved some stuff around

New Business

- Congratulations to Nate and Mike for completing FFI/II and HazMat Ops
- Reminder to turn all radios back to fire dispatch/FIRE1 when done with a call/training
- In the future, we need to get city council approval and a waiver signed for any non-fire department use of the firehall. For example, graduation or birthday parties.
- Mazeppa Daze parade is coming up, and Chris mentioned that he was interested
- Jerry agreed to help with the 4th of July fireworks
- Wabasha county mutual aide meeting is coming up Wed 7/13
- Dan gave a few updates from a MnFAC 2016 session overview he received
- NNO is Tues 8/2, 5PM-7ish, setup at 4:30, and we will use Tanker2/drop tank for water target again. We are also helping staff the bouncy house with the OFR.
- The city has asked for budget ideas for 2017. Some larger ideas thrown out included putting walls around the meeting room, new paint on the outside of the firehall, floor drains, and extending the firehall South out 20' to gain more room.
- The first responders had a few members drop lately, so Dan asked if anyone else would be interesting in joining.

Call Reviews

- None
