

CITY OF ORONOCO
Damage Waiver Form

Contractors using the fire hydrants to pull water are responsible for notifying the City of Oronoco's City Clerk about the water usage, date, time and then report back to the City Clerk when the work is completed.

Any damages done to the fire hydrant or water line are the responsibility of the contractor and will be required to pay for all damages.

Water cannot be pulled from the fire hydrant below 10 degrees except in case of a fire emergency.

If you need tools to open or close the fire hydrant or have any questions or concerns, please contact City Hall at 507-367-4405.

This form serves as a binding contract for all damages to be paid to the City of Oronoco.
