

CITY OF ORONOCO Damage Waiver Form

Contractors working within the City ROW must complete the required permit forms and report back to the City Clerk when the work is completed.

The Contractor is required to notify the City 24 hours prior to initiating work and shall not backfill any work associated with the connect to or work around a new or existing sewer or water mains or individual services until it has been inspected by City Staff.

Any damage to a water main, fire hydrant, valve, sanitary sewer main, manhole, culvert, roadway, drainage ditch, landscaping, turf or any related public infrastructure shall be reported to the City and immediately repaired by the contractor to the satisfaction of the City Engineer at the Contractor's sole cost.

The Contractor shall provide the City of Oronoco with a Certification of Liability Insurance consistent with the maximum liability limits for municipalities as set forth in M.S. § 466.04, as it may be amended from time to time, or any successor to that statute:

- (1) For injuries including death therefrom sustained by any one person: \$500,000;
- (2) For injuries including death resulting therefrom sustained by two or more persons as the result of any one occurrence: \$1,000,000;
- (3) For property damage involving one claimant: \$500,000; and
- (4) For property damage involving multiple claimants as a result of any one occurrence: \$1,000,000.

Where required by state and federal law, proof of worker's compensation insurance shall be provided to the city. If you have any questions or concerns, please contact City Hall at 507-367-4405. This form serves as a binding contract for all damages to be paid to the City of Oronoco.
