PERMIT TYPE: Residential Use Non-residential Use

I hereby apply for a one-time credit of \$20 to help cover watering costs for a 2-month period. I must have a grinder station on my property and water usage through the city to apply for this permit.

Helpful hints: water only the hydro-seed after 8 pm. The hydro-seed doesn't take much water. If the color is turning white, add just enough water to turn it back to a blue/green color.
